

Welcome to Omni Equestrian Center, a hunter jumper and equitation riding facility and boarding service. We target all levels of rider from as young as age 5 to more mature students in their 50's and 60's.

Our facility includes an indoor 80' by 160' arena as well as an outdoor 100' by 200' ring. We have a total of 5 large pastures and our property encompasses a total of 90 scenic acres.

As one of our former students now attending Cornell recently quoted: "Omni is all about challenging yourself as an individual, while at the same time having fun..." We wholeheartedly agree!
